

# Audi Max Foyer Information on use

## General

<b>Location</b>	ETH Main Building, Rämistrasse 101, HG F Floor 8092 Zurich
<b>Size</b>	The usable area of the Audi Max Foyer is about 83 m <sup>2</sup> , and it is suitable for about 200 persons. If catering is provided for more than this number of persons, an additional foyer must be reserved as appropriate to the number of guests. Also see the "Use in case of catering" section.
<b>Reservations</b>	The Foyer area belongs to Audi Max HG F 30 and cannot be reserved separately. The Audi Max is managed by the Academic Services Room and Course Scheduling team. Send reservation enquiries to <a href="mailto:raumreservation@ethz.ch">raumreservation@ethz.ch</a>
<b>Permits</b>	Applications for events requiring permits must be submitted in advance, using the form. For clarification, please contact the Permits Office: Email <a href="mailto:bewilligungen@services.ethz.ch">bewilligungen@services.ethz.ch</a> , telephone 044 633 25 18

## Conditions for use

<b>Permitted use</b>	Registration desk, drinks receptions with or without buffet, coffee breaks.
<b>Use in case of catering</b>	Use for catering is restricted to 200 persons. For more persons, the Uhrenhalle or another foyer must be reserved in addition. The additional foyers with catering service must be indicated by signage.
<b>Furniture, inventory</b>	The inventory must be ordered early (no later than two weeks before the event) from the Facility Services department at <a href="mailto:fs_info_gmz_hg@ba.ethz.ch">fs_info_gmz_hg@ba.ethz.ch</a> Inventory not provided by the Facility Services department requires a special permit.
<b>Catering</b>	ETH Zurich catering partners are permitted, as well as external catering providers contracted by the event organiser.
<b>Power connections</b>	There is a power connection (2 × T13 F49, 13 A three-phase group) at each of the two centre pillars in the direction of the Audi Max. Clarification of total power or other nearby connections must be coordinated with the Facility Services department ( <a href="mailto:fs_info_gmz_hg@ba.ethz.ch">fs_info_gmz_hg@ba.ethz.ch</a> ) or the catering partner, where relevant.
<b>Fire regulations</b>	The fire regulations and fire protection requirements for the Main Building must be respected. Escape routes must be kept clear at all times.
<b>Waste disposal, cleaning</b>	The Foyer must be left in a clean condition. The event organiser is responsible for disposing of waste. No adhesive tapes must be used on pillars or floors. Expenses for cleaning and services that exceed the usual scope will be invoiced as per the price list for additional services.
<b>Signage, route guidance</b>	Users' own signs must not be affixed to floors and pillars. For route guidance and/or signage to the Audi Max, contact the Facility Services department: <a href="mailto:fs_info_gmz_hg@ba.ethz.ch">fs_info_gmz_hg@ba.ethz.ch</a> .
<b>Noise emissions, music, microphones</b>	Consideration must be shown for people in the surrounding office spaces. Playing music and using microphones are not allowed without a special permit. A break chime is allowed.
